## Introducing The New, Free Way To Bank From Your Home Computer.

When you plug in to PC Banking from NationsBank, you get a powerful combination of online access to NationsBank with award-winning *Managing Your Money*® software. It's the only on-line banking system designed from the ground up by a bank and a software company working together. And best of all, it's free with your NationsBank checking account.

of all, it's free with your NationsBank checking account.

## All Your Finances Right At Your Fingertips, 24 Hours A Day.

You can handle all of your banking transactions around the clock, seven days a week, with your Windows® compatible personal computer. Balance your checkbook, transfer funds and pay bills. Plan for

tuition, college and retirement. All with the security of knowing your transactions are protected three ways: with your Personal Identification Number (PIN), online banking ID, and personally selected pass word. You also have the peace of mind of knowing that all of your transactions are processed through NationsBank — an organization with a 50 year history of electronic bill payment, handling millions of transactions per year.

## Incredibly Easy To Use.

You may already know how financial software makes it easier to keep track of finances. But wait until you combine *Managing Your Money* software — rated one of the best and easiest to use by a leading PC magazine — with the unique on-line access to NationsBank PC Banking.

- Pay your bills and update your financial information as easily as sending and receiving E-mail. You can even schedule any recurring bills to be paid automatically.
- Bank information is downloaded into the software — there's no need to input everything by hand.
- If you are using Quicken®, Microsoft Money® or others, *Managing Your Money* can automatically convert existing files in minutes.
- A toll-free phone number and you'll need for assistance with all items of software.
